On 9 May 2017 (Tuesday) a joint information meeting-seminar of the NAAS (Territorial District Office - Blagoevgrad) and the Executive Agency on Vine and Wine (EAVW) will be held in the town of Sandanski.

At the seminar Lyubomir Terziev – Chief Inspector, EAVW - Blagoevgrad, will present to the attendees the diseases caused by climatic conditions.

The lecturer will acquaint the guests with good plant protection practices in viticulture.

Experts from the Territorial District Office of NAAS - Blagoevgrad will explain to farmers the support opportunities under the Rural Development Programme RDP 2014-2020 for farmers growing vineyards.

The event will be held in the town of Sandanski, Blagoevgrad District, 20 Svoboda Blvd., 1st floor (building of the Local Action Group (LAG) - Sandanski)
