

Plant Protection Magazine

Since the beginning of 2022, the journal “*Plant Protection*” has been published periodically only in electronic form in the form of an information website. The journal is a publication of a scientific-applied nature and is included in the National Reference List of Contemporary Bulgarian Scientific Publications of NACID.

The editorial policies of the electronic format of the journal are focused on providing scientific, professional and maximally competent information for a wide range of readers - agricultural producers, specialists, traders in the field of plant protection, selection and fertilization, as well as in the field of agrochemical and seed industry.

The publishing policy of the journal continues to be implemented by the **Editorial Board** consisting of:

Prof. Dr. Vinelina Yankova, *Institute of Vegetable Crops IZK „Maritsa”, Plovdiv, Agricultural Academy*

Prof. Dr. Stoika Masheva

Prof. Dr. Zarya Rankova, *Institute of Fruit Growing – Plovdiv, Agricultural Academy*
