Media Plus R Ltd. is a Bulgarian company with many years of experience in the field of plant protection and foliar fertilizers, which we have been offering for more than 20 years, and we specialize in the distribution, consultancy, and development of a number of products on the domestic market.

Our priorities are the personal approach, correctness, and advisory service to each client regarding the application and necessity of the products offered by the company. The team of sales representatives covers the entire territory of the country and is divided into 6 regions, thanks to which we have built a very good distribution and logistics network.

Media Plus R Ltd. is a preferred partner of a number of international companies. Since 2019, the company has expanded internationally and has become the exclusive importer of the unique products of the Austrian company Hechenbichler GmbH – AMALGEROL ESSENCE and AMALGEROL for the territories of Bulgaria, Romania, and Moldova.

Media Plus R is a company driven by the pursuit of innovation and environmental care; therefore, our products are an investment in the future and the fertility of your soil.
