

Уебинар на тема „Hybrids for Record-Breaking Sunflower Yields – New Genetics from Syngenta!“

Author(s): Растителна защита
Date: 19.11.2020 *Issue:* 11/2020

Dear farmers and Syngenta partners,

On 20 November, from 5:00 p.m., a webinar will be held on the topic:

“Record-breaking sunflower hybrids – New genetics from Syngenta!”

Speakers:

- Valentin Paun – Product Manager Sunflower Hybrid Development for Southeast Europe;

- Yavor Bakardzhiev – Marketing Manager Oilseed Crops Seeds Bulgaria and North Macedonia

We look forward to your participation in the webinar:
