

Open Day of the Maize Institute in Knezha

Author(s): Растителна защита
Date: 31.07.2023 *Issue:* 7/2023

On 8 August 2023, an Open Day on the topic “Breeding Achievements of the Maize Research Institute - Kneja” will be held at the Maize Research Institute – Kneja. The programme envisages the presentation of the latest developments of the scientists in the field of maize, as well as a visit to the Demonstration Field with maize hybrids of MRI-Kneja.

In 2023, four demonstration plots were sown at MRI-Kneja in the production field of the Maize Research Institute – Kneja – 45, “Center for Implementation” Ltd., Kneja – 20, in the Experimental Field of the Institute of Agriculture and Seed Science „Obraztsov Chiflik“ – Ruse – 10, and in the land of ET “Stefan Georgiev - NIM“ – Razgrad – 24. The hybrids are from all FAO maturity groups 300-600+. All hybrids of MRI-Kneja are resistant to diseases and pests, stress-tolerant and characterized by high productivity.

In addition to established hybrids that have proven their qualities, new hybrids will also be presented, which complement the rich portfolio of the Institute.

PROGRAMME

09:00 – 09:30 - Registration - MRI-Kneja

09:30 – 11:30 - Visit to the Demonstration Field with maize hybrids of MRI-Kneja and discussion.
