On 18 November 2023, the specialized exhibition “Danube Fruit Growers” 2023 will be held, one of the largest events in Northern Bulgaria, closely related to the “fruit growing” sector, organized by the Union of Danube Fruit Growers – Ruse, with the support of the Ministry of Agriculture and Food and the State Fund “Agriculture”.

The event will include a variety of activities, interesting and useful for all fruit growers, farmers and citizens.

During the exhibition, you can expect:

- Farmers' market – this year you will once again have the opportunity to taste and purchase delicious, regionally produced fruit, vegetables, honey, nuts, wine, natural juices, dried fruit, jams, preserves and others;
- Participation of representatives of various branch services and organizations and citizens from the city of Ruse, the region and the whole of Bulgaria;
- The sixth edition of the exhibition will present leading companies for plant protection products, fertilizers and consumables, agricultural machinery, equipment and facilities. Also present will be companies in the field of agricultural consulting and financing for the sector;
- Lecture session with Assoc. Prof. Dr. Sava Tabakov, who will share invaluable experience and provide numerous expert recommendations;
- B2B meetings – building a network of contacts between participants and visitors and exchanging experience and ideas with producers and experts. The B2B meetings provide an opportunity to build lasting partnerships with all market participants.

You can look forward to a good mood with music, dances, delicious food, drinks and many surprises!
