

Fifth National Agro Seminar of NAZ in Plovdiv

Author(s): Растителна защита
Date: 25.11.2015 *Issue:* 11/2015

The National Association of Grain Producers (NAGP) is organizing the fifth national agro seminar under the motto "United and Successful" on November 26 and 27, 2015, in Plovdiv, at the Novotel Plovdiv.

The National Agro Seminar of NAGP is an established, large-scale event over the years and a prestigious forum for meetings and discussions on topics relevant to the Grain Production sector.

In 2015, participating commercial companies will have the opportunity to present their products and technological solutions both in the seminar hall and in an exhibition area within the Novotel Plovdiv. Within the framework of the two-day conference, visitors will be able to receive consultations and advice for more effective management and increasing the productivity of their farms. This year, in addition to the seminar program, the following will also participate in the

exhibition area: *Timac Agro, Intelligent Systems, KWS Agro, Summit Agro, Tedy Ltd., Euralis, Nemecek, Fert Bul, Limagrain, Elixir, Lumbriko, Omex*
