The Ministry of Agriculture and Food updates the indicative annual work program for 2017 for the RDP 2014-2020.

According to the program, application periods are planned for some of the most attractive and anticipated measures – 4.1.2 "Investments in agricultural holdings under the Thematic Sub-program for the Development of Small Farms", aimed at small farms for investments in tangible and intangible fixed assets, which lead to improved economic sustainability and performance of the holding. Acquisition and improvement of real estate; Purchase of new machinery, structures and equipment.

Application periods are also planned for Sub-measure 4.2 "Investments in processing/marketing of agricultural products", Sub-measure 6.1 "Setting up of young farmers", Sub-measure 6.4.1 "Investments supporting non-agricultural activities", Measure 9 "Setting up of producer groups and organizations", Measure 10 "Agroecology and Climate", Measure 11 "Organic Farming", and other measures.

Unfortunately, Measure 16.1, which is for the creation of operational innovation groups, is still not foreseen in the indicative schedule for 2017, and it is a good opportunity for financing innovative ideas of farmers.
