

The Agricultural Academy announced admission for doctoral students for the academic year 2017/18

Author(s): Растителна защита

Date: 12.09.2017 *Issue:* 9/2017

The Agricultural Academy announces a competition for admission of doctoral students (full-time and part-time studies – state-funded) for the academic year 2017/2018 in 25 accredited doctoral programmes.

The required application documents are as follows: applications, curriculum vitae, diploma for acquired educational and qualification degree “Master” with transcript – notarized copy (certificate of recognized higher education – degree “Master”, if the diploma is issued by a foreign higher education institution) and other documents certifying the candidate’s interests and achievements in the respective scientific field.

The documents shall be submitted to the Central Administration of the Agricultural Academy – Sofia, 30 “Suhodolska” Str., room No 102, from 9:30 to 16:30 hours.

Contact telephone numbers: 028127560, 028127580.

The deadline for submission of documents is two months from the publication of the announcement in the State Gazette (SG, issue 67 of 18.08.2017)

Application fee – BGN 30.

No	Doctoral programme	Form of study		Scientific organization
		F	P	
1	Genetics	4	-	AgroBioInstitute, Sofia
2	Physiology of Animals and Humans	1	1	Institute of Animal Science, Kostinbrod
3	Mechanization and Electrification of Crop Production	1	1	Institute of Soil Science, Agrotechnologies and Plant Protection “N. Pushkarov”, Sofia
4	Mechanization and Electrification of Animal Husbandry	1	-	Institute of Soil Science, Agrotechnologies and Plant Protection “N. Pushkarov”, Sofia
5	Hydromeliorative Construction	1	-	Institute of Soil Science, Agrotechnologies and Plant Protection “N. Pushkarov”, Sofia
6	Technology of Alcoholic and Non-Alcoholic Beverages	1	1	Institute of Cryobiology and Food Technologies, Sofia
7	Technology of Meat and Fish Products	1	-	Institute of Cryobiology and Food Technologies, Sofia

8	Technology of Fruit and Vegetable Preserves	2	-	Institute for Food Research and Development, Plovdiv
9	General Agriculture	2	-	Dobrudzha Agricultural Institute, General Toshevo
10	Soil Science	2	-	Institute of Soil Science, Agrotechnologies and Plant Protection "N. Pushkarov", Sofia
11	Land Reclamation (incl. soil erosion and its control)	1	-	Institute of Soil Science, Agrotechnologies and Plant Protection "N. Pushkarov", Sofia
12	Agrochemistry	2	-	Institute of Soil Science, Agrotechnologies and Plant Protection "N. Pushkarov", Sofia
		1	-	Institute of Field Crops, Chirpan
		2	-	Institute of Vegetable Crops, Plovdiv
		-	2	Agricultural Institute, Shumen
13	Breeding and Seed Production of Cultivated Plants	2	-	Dobrudzha Agricultural Institute, General Toshevo
		1	1	Institute of Agriculture, Karnobat
		1	-	Institute of Forage Crops, Pleven
14	Crop Production	1	-	Institute of Forage Crops, Pleven
15	Fruit Growing	1	-	Institute of Mountain Stockbreeding and Agriculture, Troyan
16	Ornamental Plants	1	-	Institute of Ornamental Plants, Sofia

17	Forage Production, Grassland Management	1	1	Institute of Mountain Stockbreeding and Agriculture, Troyan
18. Plant Protection				
	Plant Protection (Virology)	1	-	Institute of Soil Science, Agrotechnologies and Plant Protection "N. Pushkarov", Sofia
	Plant Protection (Phytobacteriology)	1	-	Institute of Soil Science, Agrotechnologies and Plant Protection "N. Pushkarov", Sofia
	Plant Protection (incl. Phytopathology, Virology, Herbology, etc.)	1	-	Institute of Vegetable Crops "Maritsa", Plovdiv
		1	-	AgroBioInstitute, Sofia
	Plant Protection (Phytopathology)	1	-	Dobrudzha Agricultural Institute, General Toshevo
		1	-	Agricultural Institute, Stara Zagora
19	Breeding of Farm Animals, Biology and Biotechnology of Reproduction	2	1	Institute of Animal Science, Kostinbrod
		1	-	AI, Shumen
20	Feeding of Farm Animals and Feed Technology	1	1	Institute of Animal Science, Kostinbrod
		2	-	Institute of Forage Crops, Pleven
21	Cattle and Buffalo Breeding	1	-	Agricultural Institute, Shumen

	1	-	Agricultural Institute, Stara Zagora
	1	1	Institute of Animal Science, Kostinbrod
	1	1	Institute of Animal Science, Kostinbrod
22 Sheep and Goat Breeding	1	1	Institute of Mountain Stockbreeding and Agriculture, Troyan
	1	-	Agricultural Institute, Stara Zagora
	1	-	Agricultural Institute, Shumen
23 Pig Breeding	2	-	Agricultural Institute, Shumen
24 Special Branches (Bees)	1	-	Institute of Animal Science, Kostinbrod
25 Ecology of Farm Animals	1	1	Institute of Animal Science, Kostinbrod
