The 24th International Seed and Planting Material Exchange will be held from 30.01. to 3.02.2018 at the "Prostor" Sports Complex in the town of Dobrich.

The thematic scope of the exhibition "Seed and Planting Material Exchange" includes seeds for spring crops, seeds for autumn crops, seeds for vegetable crops, flower seeds, planting material, fertilizers, fertilizer-soil mixtures, insecticides, herbicides, fungicides, acaricides, biological plant protection products, greenhouses and hothouses, etc.

During the Seed and Planting Material Exchange, the Dobrich Fair JSC awards "Bulgarian Seed Producer" and "Commercial Representation" will also be presented.

Since 1995, every annual programme of the Dobrich Fair has begun with the holding of the Seed and Planting Material Exchange. Since 1998, the exhibition has been held under the auspices of the Ministry of Agriculture, Food and Forestry. In 2000, the Dobrich Fair became a member of the Seed Producers Association, which designated the Seed and Planting Material Exchange as its main forum.
