The National Agricultural Advisory Service (NAAS) continues its activities of providing information and on-site consultations in municipal centers and settlements in 2018.

The purpose of the free on-site consultations is to inform the maximum number of farmers about current issues, solutions and opportunities for participation and financing under the Rural Development Programme 2014–2020.

NAAS experts explain the mandatory requirements that farmers must comply with under the selected direct payment schemes and/or as beneficiaries under measures of the RDP.

This year, in the period 01.01–31.03.2018, a total of 303 information sessions will be held, and the total number of municipalities visited will be 185 out of 265.

The total number of settlements visited will be 289.

Indicative schedule for holding the outreach reception days of the territorial regional offices of NAAS for the period 01 January – 31 March 2018.
