Visitors to “Agra 2018” have the opportunity to become acquainted with modern trends in agriculture – precision farming and organic production of raw materials, as well as with developments of the research institutes of the Agricultural Academy. The forum presents contemporary technologies and machinery from global and Bulgarian brands, fruit trees, seeds and seedlings, fertilizers and plant protection products, elite animals and software for agribusiness. Parallel to Agra 2018 the following are held: International Exhibition of Viticulture and Winemaking “VINARIA”, International Exhibition of Food, Drinks, Packaging, Machines and Technologies “FOODTECH”, International Exhibition of Equipment for Hotels, Restaurants, Cafeterias and Retail Outlets “HORECA PLOVDIV”, Exhibition of High-Quality Italian Foods and Wines “FLAVOURS OF ITALY” and International Beekeeping Exhibition “API BULGARIA”.
