What do you need to do?

A postal money order for 60 leva, sent to the address: 1618 Sofia, 3 „Ivan Yonchev“ Str., to Emil Ivanov Ignatov, provides you with a subscription to the journal for 2018 at the address indicated by you. You will receive all issues for 2018 (including those missed before the time of subscription).

One more offer!

For a postal money order of 85 leva, sent to the above address, you will receive a promotional package: List of PPPs for 2018 + subscription to the journal „Plant Protection“ for 2018 under the conditions specified above.

Please note! Each reader may order, for 30 leva sent by postal money order to the editorial office, all issues of the journal “Plant Protection” published in 2017.

For information: In 2018, each issue of the journal will contain a supplement „Dangerous Pathogens in Agricultural Crops“. Leading Bulgarian phytopathologists will present their scientific expert assessments, observations and forecast developments on the occurrence and spread of the most dangerous pathogens (some of which are new to Bulgaria) and the control measures against them in the main field, vegetable and fruit crops.

Do not forget! The journal is distributed only by subscription!
