On 27 April 2018 in the town of Sandanski, Blagoevgrad District, a joint information meeting - seminar of NAAS (Territorial District Office Blagoevgrad) and the Executive Agency on Vine and Wine (EAVW) will be held on the topic: "Good plant protection practices in the control of diseases and pests in vineyards".

At the seminar, Lyubomir Terziev – Chief Inspector, EAVW - Blagoevgrad will present to farmers the good plant protection practices in the control of diseases and pests in vineyards.

The lecturer will acquaint the guests with fertilization techniques in vineyards.

Experts from the Territorial District Office of NAAS - Blagoevgrad will explain to the participants in the seminar the opportunities for support under the Rural Development Programme RDP 2014-2020 for farmers cultivating vineyards.

The event will take place in the town of Sandanski, Blagoevgrad District, 20 „Svoboda” Blvd., 1st floor (building of LAG - Sandanski)
