The journal “Plant Protection” announces that subscriptions for 2019 will continue to be accepted at the editorial office throughout the year. If you consider that the publication is necessary for you, please do the following:

- Send a postal money order for 60 BGN to the address: 1618 Sofia, “Iv. Yonchev” Str. No. 3, to Emil Ivanov Ignatov. You will receive the journal at the indicated address throughout the year and we will also send you the missed issues.

We offer two more options:

- A postal money order of 85 BGN, sent to the indicated address, will provide you with an annual subscription to the journal + the List of plant protection products and growth regulators authorized for placing on the market and use, the registered adjuvants, fertilizers, soil improvers and biologically active substances in 2019.
- A postal money order of 40 BGN, sent to the indicated address, will provide you with the new List of plant protection products and fertilizers authorized for use in 2019.

Do not forget!

The journal is distributed by subscription only!
