On 18.11.2021 (today) from 10:30 a.m. to 12:15 p.m. an online seminar will be held on the topic: "Specifics of Establishing Permanent Plantations with Stone Fruit Species".

The participants in the online seminar will be acquainted with the specifics of establishing a permanent plantation – selection of the plot, application of base fertilization, soil preparation and other agrotechnical practices for various stone fruit species. They will also be informed about the opportunities for support to small agricultural holdings under Sub-measure 6.3 "Start-up Aid for the Development of Small Farms" of the Rural Development Programme (RDP) 2014-2020.

ISSN 2815-522X

The event is organized by the National Agricultural Advisory Service (TAC – Haskovo).

Participation in the seminar is free of charge, but prior registration is required!
