Perspectives in the production and cultivation of apricot fruits

Автор(и): Растителна защита
Дата: 17.10.2016 *Брой:* 10/2016

Information seminar on the topic: "Prospects in the production and cultivation of apricot fruits" will be held in the town of Slivo Pole, Ruse Region.

The information meeting will take place on Wednesday, 26 October in the town of Slivo Pole, Ruse Region. It is organized by the NAAS – Ruse and lecturer Prof. DSc Valentina Bozhkova – Fruit Growing Institute – Plovdiv. The topic of the seminar will cover the production and proper cultivation of apricot fruits.

The forum will consist of two parts – theoretical and demonstrational, with the first being held in the meeting hall of Slivo Pole Municipality, and the demonstrational part taking place in the fruit orchard of Pavel Spasov, in the land of the village of Malko Vranovo, Ruse Region.
