The eligibility requirements for application are that the persons submitting applications must be students with uninterrupted rights, currently enrolled in a higher education institution in the country or abroad. Applications are submitted online at the following address: http://staj.government.bg/

The procedure for the selection of interns in the state administration is divided into several steps: a profile and test on the portal, which is loaded upon selecting the first internship position, followed by an interview and final ranking for the chosen vacancy.

Only 4 days remain until the completion of the application period under the Programme. In total, students can choose from over 1,200 internships in 43 professional fields. The Programme is focused on acquiring practical experience, new professional skills and familiarisation with the state administration.

Success to all applicants!
