On 29 March 2017, in the town of Kyustendil, a joint information meeting-seminar will be held by NAAS (Territorial Regional Office – Kyustendil), the Agricultural Academy (AA) and the Bulgarian Food Safety Agency (BFSA) – Regional Food Safety Directorate (RFSD) on the topic: “Integrated management of diseases and pests in potatoes”.

At the seminar, Chief Assistant Violeta Blagoeva, Potato Experimental Station – Samokov, will acquaint the guests with the integrated management of diseases and pests in potatoes.

Elza Kadiyska, Chief Inspector in the “Plant Protection” Department, RFSD – Kyustendil, will present to the attendees the phytosanitary control in potatoes.

The experts from the Territorial Regional Office of NAAS – Kyustendil will explain to the farmers the various support opportunities for potato producers under the Rural Development Programme RDP 2014–2020.

The event will take place in the town of Kyustendil, 2 Makedonia Street, House of Science and Technology (NST), hall on the 2nd floor.
