Дата: 26.11.2018 *Брой:* 11/2018

On 27 November 2018 in the town of Dimitrovgrad a joint information meeting – seminar with demonstration of NAAS (Territorial and Regional Office – Haskovo) and the Agricultural University – Plovdiv will be held on the topic: „New technologies and intensive schemes for cultivation of stone fruit species“.

At the seminar Prof. Dr. Valentin Lichev from the Agricultural University – Plovdiv will present opportunities for effective cultivation of fruit crops in Bulgaria. The lecturer will acquaint the attendees with pruning of stone fruit species in intensive orchards. Prof. Dr. Vladislav Popov will make a practical demonstration of pruning for training and fruiting of trees of stone fruit species.

ISSN 2815-522X

The experts from the Territorial and Regional Office – Haskovo of NAAS will present the opportunities for support of farmers under the measures of the RDP 2014–2020.

The seminar will be held in the town of Dimitrovgrad, Haskovo region, in the municipal building, „Groseto“ Hall
