THE SUBSCRIPTION to the journal „Plant Protection“ for 2018 **continues indefinitely at the editorial office.**

What do you need to do?

A postal money order for 60 leva, sent to the address: 1618 Sofia, 3 „Ivan Yonchev“ Str., for Emil Ivanov Ignatov, provides you with a subscription to the journal for 2018 to the address specified by you. You will receive all issues for 2018 (including those missed up to the moment of subscription).

One more offer!

For a postal money order of 85 leva, sent to the specified address, you will receive a promo package: List of PPP for 2018 + subscription to the journal „Plant Protection“ for 2018 under the conditions specified above.

For information: In 2018, each issue of the journal will contain an annex „Dangerous Pathogens in Agricultural Crops“. Leading Bulgarian phytopathologists will present their scientific expertise, observations and forecasting studies on the occurrence and spread of the most dangerous pathogens (some of which are new to Bulgaria) and the control measures against them in the main field, vegetable and fruit crops.

NEW! In issue 1 of the journal „Plant Protection“ you will find a separate publication **„Technology for Chickpea Cultivation“**. The head of the authorial team (from the Dobrudzha Agricultural Institute in the town of General Toshevo and the Agricultural Institute in Sadovo) is Prof. Ivan Kiryakov. The content of this up-to-date publication is dedicated to key aspects of agrotechnics, varieties, plant protection and plant nutrition.

Do not forget!

The journal is distributed only by subscription!
