From 3 to 31 January 2017, farmers applying under the coupled support schemes for fruit and vegetables and for vegetables – greenhouse production must submit a declaration using the standard form and provide documents proving the minimum yields and the marketing of the produced output. The aid is determined per hectare, taking into account the requirement for minimum yield, pursuant to Annex No 5 to Ordinance No 3 of 17.02.2015.

The approved template of the electronic list of the submitted documents proving the marketing of the produced output from the areas declared for support under the coupled support schemes for fruit, vegetables and vegetables – greenhouse production is available for download and

completion on the website of the State Fund “Agriculture”. Instructions for its completion can be found **HERE.**

The completed list in the standard form shall be submitted by 31 January 2017 in electronic and hard copy, and copies of the listed documents shall be submitted to the regional directorates of the State Fund “Agriculture” according to the permanent address of the applicant – natural person and the registered office of the applicant – legal person or sole trader.

In the declaration, an area on which the respective crop is grown may be indicated only up to the size of the area declared for support in Campaign 2016 under the schemes for fruit, vegetables and vegetables – greenhouse production.

Applicants under the coupled support schemes for fruit and vegetables who have not submitted, within the specified deadlines, a declaration and list in the approved form for the output produced and marketed in the year of application shall not be eligible for support.
