On 29 March 2018, in the town of Targovishte, a joint information meeting-seminar will be held by NAAS (Territorial Regional Office Targovishte) and the Bulgarian Food Safety Agency (BFSA) - Regional Directorate for Food Safety (RDFS) Targovishte on the topic: „Current regulatory requirements for the use of plant protection products and fertilizers. Rules for good plant protection practice“.

At the seminar Ivan Ivanov, Head of „Plant Protection“ Department at RDFS – Targovishte, will present to the participants the regulatory requirements for the use and storage of plant protection products.

Ivan Ivanov will also acquaint farmers with good practices in the use of plant protection products.

Experts from the Territorial Regional Office of NAAS - Targovishte will explain the opportunities for support to agricultural producers under the measures of the RDP 2014-2020 and the direct payment schemes.

The event will take place in the town of Targovishte, House of Science and Technology, 4 „P. R. Slaveykov“ Str., 2nd floor, Room No. 102
